

**TITLE: Discontinuing Use of Social Studies Test as Content Test for  
Hawaiian Studies Licensure**

---

The Hawaii Teacher Standards Board discontinues requiring the Praxis Social Studies Content Knowledge Test for teacher candidates recommended for the Hawaiian Studies 7-12 License effective immediately.

Those teacher candidates who have completed a State Approved Teacher Education Program (SATEP) in Hawaiian Studies who are also recommended for Social Studies licensure must submit passing scores for the Praxis Social Studies Content Test listed on the HTSB website, [www.htsb.org](http://www.htsb.org), to have the field of Social Studies 7-12 on their Hawaii teaching license.
